What you get for £799

Cleaning is a trust business. People are handing over a key to their home, so they want to know who is coming, what is included and what it costs. This site answers all three, gives a fast quote and helps turn a first clean into a regular slot.

1. **Your website**
   Designed around your brand, quick to load and easy to use on a phone.

2. **A page for every service and area**
   So you show up when people in Nottingham and nearby search for what you do.

3. **Your Google Business Profile**
   Set up properly, so you appear on the map, with a simple way to get more reviews.

4. **Online quote requests**
   Customers can ask for a quote from any page, day or night.

5. **Instant replies**
   Every enquiry gets an answer straight away, even when you're busy working.

6. **30 days of social media posts**
   A month of posts designed and written for you, with Instagram, Facebook and TikTok set up.

Built around one job: turning local searches into regular customers.

Step 1

Get found

A page for regular, deep, end-of-tenancy and office cleans. A page for every area you cover.

Step 2

Earn trust

Your insurance and how you vet your cleaners, clearly. A clear checklist of what every clean includes.

Step 3

Win regulars

A quick quote form: bedrooms, bathrooms and how often. Pick a start day online, with reminders before visits.

Sound familiar?

Price shoppers	Customers compare five quotes. The fastest, clearest one wins.
Admin overload	Scheduling, reminders and rebooking take more time than cleaning.
Low-trust industry	People are inviting you into their home. They need to feel safe.

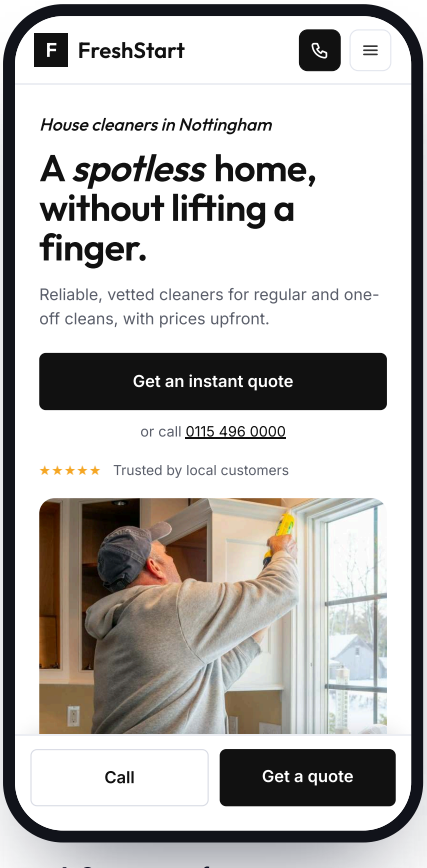
Searches you could show up for

- "cleaner in Beeston"
- "house cleaning Nottingham"
- "deep clean Nottingham"
- "end of tenancy cleaning Nottingham"
- "office cleaning Nottingham"
- "oven cleaning near me"

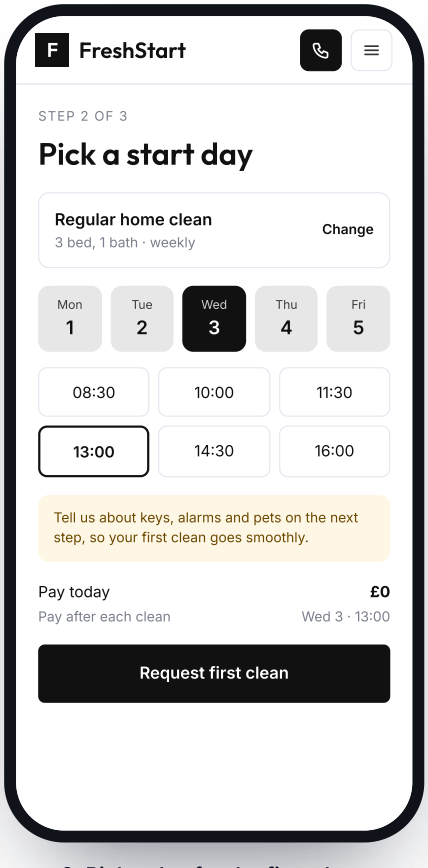
Honest about vetting. We describe the checks you really carry out, such as references, insurance and DBS checks if you use them, and never claim more. End-of-tenancy pages never promise a full deposit back.

Most customers find a cleaner on their phone. So the phone comes first.

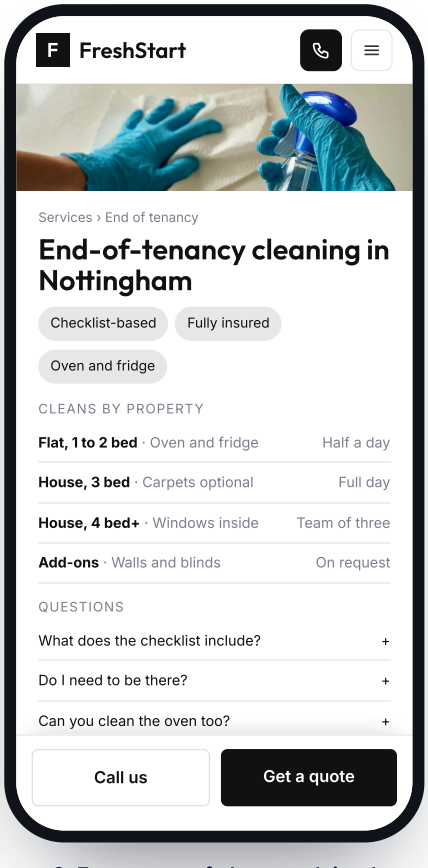
Every page has a quick way to ask for a quote, call or send a message.



1. Get a quote from screen one



2. Pick a day for the first clean



3. Every type of clean explained

- A sticky Call and Quote bar on phones
- Bedrooms, bathrooms and how often, asked in the form
- Key, alarm and pet details captured with the booking
- Weekly, fortnightly or one-off, chosen upfront
- Your insurance and vetting shown beside every form
- A checklist of what each type of clean includes
- Separate paths for homes, landlords and offices
- Large tap targets and easy-to-read type

A site that looks as fresh as a finished clean.

Every site is designed around your own brand. A few example directions:
