~~Was £999~~

Built around one job: turning weeks of research into design visits.

Step 1

Get found

A page for every room and style people search for. A page for every area you fit kitchens and bathrooms in.

Step 2

Earn trust

Full-width galleries of finished kitchens and bathrooms. Your process from design visit to final snag, explained.

Step 3

Get the visit

Book a design visit at home or the showroom, from any page. A few smart questions on budget, timeline and room size.

Sound familiar?

Big spend, long research	Customers compare several firms over weeks. A thin site never makes the shortlist.
Great work, poor presentation	Finished kitchens look superb in person but disappointing in small, slow galleries.
Enquiries are mixed quality	Without a few smart questions, time goes on visits for jobs that were never going ahead.

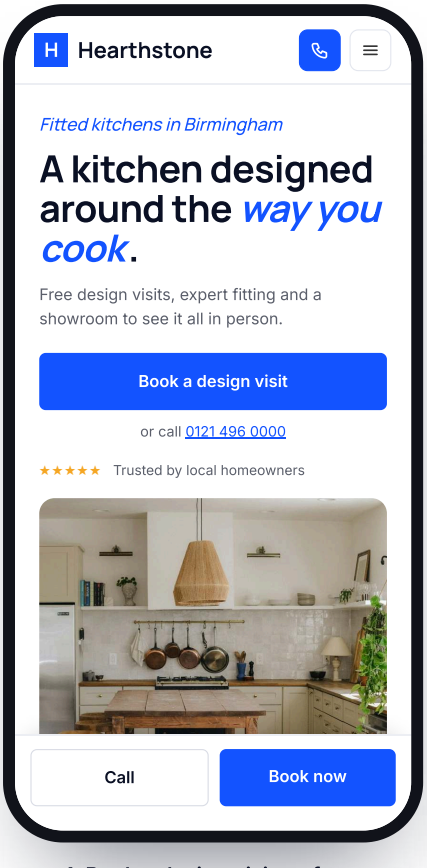
Searches you could show up for

- "kitchen fitter in Moseley"
- "kitchen design Birmingham"
- "bathroom fitter Birmingham"
- "new kitchen cost Birmingham"
- "fitted kitchens near me"
- "bathroom renovation Birmingham"

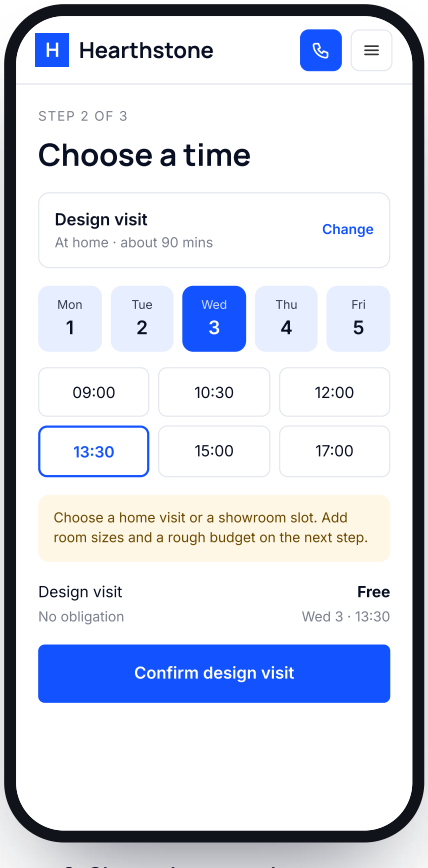
Honest about costs and dates. We show your real projects and reviews, and never promise a price or a fitting date before a design visit. Guarantees appear in your own words, and any finance wording comes from your finance provider.

Most people plan a new kitchen on their phone. So the phone comes first.

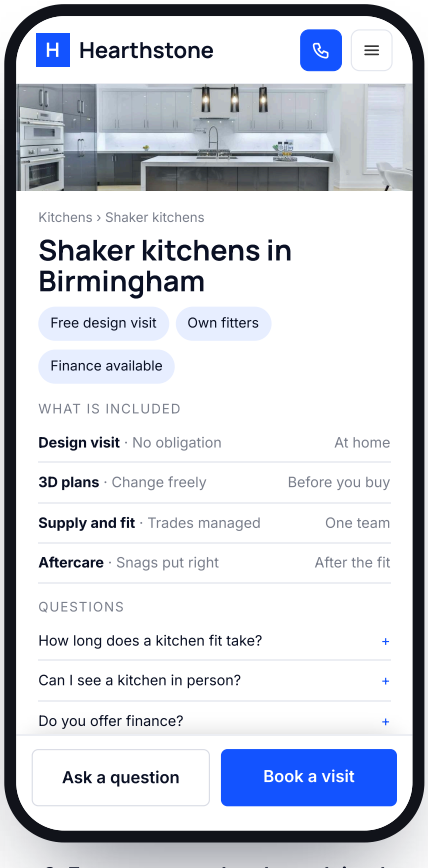
Every page has a quick way to book, call or send a message.



1. Book a design visit up front



2. Choose home or showroom



3. Every room and style explained

- A sticky Call and Book bar on phones
- Live design visit slots by day and time
- Home visit or showroom slot, chosen at booking
- Budget, timeline and room size captured upfront
- Galleries that load fast and fill the screen
- Tap-to-call and tap-to-message everywhere
- Finance options explained in plain English
- Large tap targets and easy-to-read type

A site that looks as good as the rooms you fit.

Every site is designed around your own brand. A few example directions:
