~~Was £999~~

Built around one job: turning finished rooms into new quote requests.

Step 1

Get found

A page for interiors, exteriors, wallpaper and woodwork. A page for every area you cover.

Step 2

Earn trust

Before-and-after galleries, sorted by room and job. Your insurance and how you protect the home, up front.

Step 3

Win better jobs

A quote form that asks about rooms, finish and timing. Photos of the rooms sent with every request.

Sound familiar?

Photos are buried on social media	Your best work is on your phone or a feed nobody can search. Customers cannot find it.
Low-budget enquiries waste time	Without a few smart questions, you spend evenings quoting for work that never goes ahead.
Word of mouth is unpredictable	Recommendations are great, but they cannot be switched on when the diary is thin.

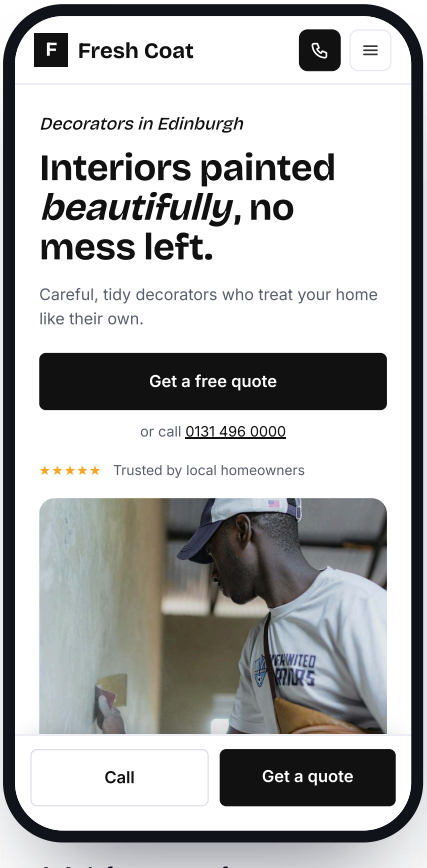
Searches you could show up for

- "painter and decorator in Morningside"
- "interior painters Edinburgh"
- "exterior house painting Edinburgh"
- "wallpaper hanging Edinburgh"
- "how much to paint a room"
- "decorators near me"

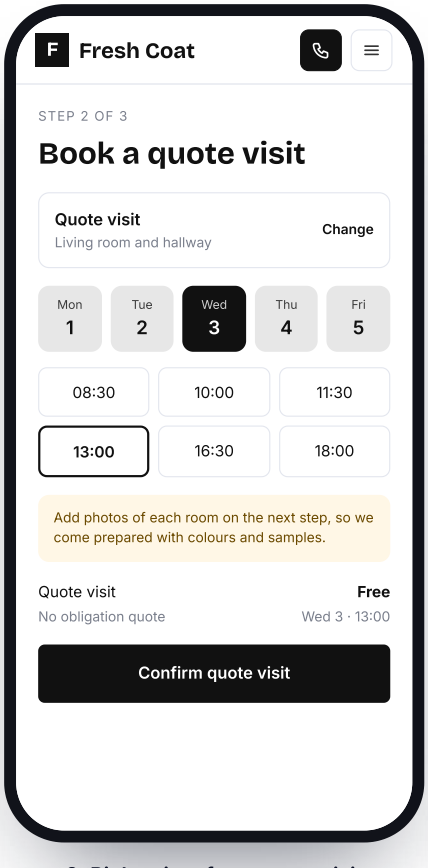
Real photos, honest timings. We only show rooms you actually painted, never stock photos passed off as your work. Timings and finishes are explained plainly, and older homes get honest notes on prep, such as lead paint and cracked plaster.

Most homeowners look at your work on a phone. So the phone comes first.

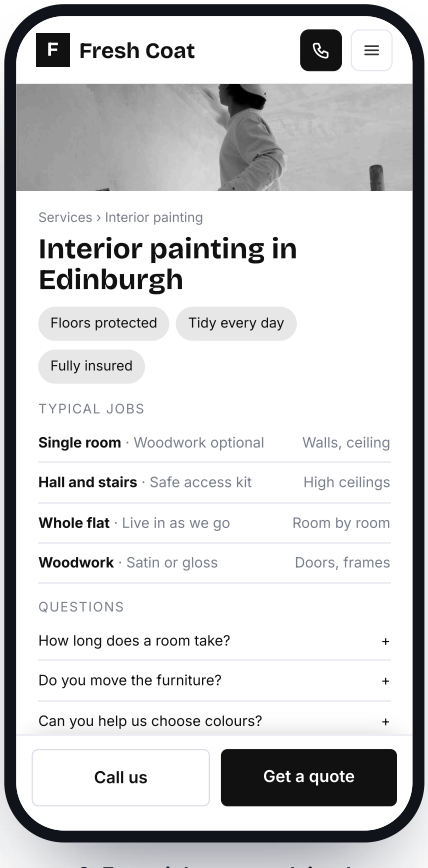
Every page has a quick way to ask for a quote, call or send a message.



1. Ask for a quote from screen one



2. Pick a time for a quote visit



3. Every job type explained

- A sticky Call and Quote bar on phones
- Rooms, finish and timing asked in the form
- Photos of the rooms uploaded with the request
- Gallery photos that load fast, even on 4G
- How you protect floors and furniture, shown clearly
- Before-and-after sliders for every room type
- Tap-to-call and tap-to-message everywhere
- Large tap targets and easy-to-read type

A site with a finish as clean as your cutting in.

Every site is designed around your own brand. A few example directions:
