£799, one-off

Designed, built and launched for you. Any other costs, such as your domain, are explained up front.

~~Was £999~~

Built around one job: turning a worried search into a consultation.

Step 1

Get found

A page for each practice area people search for. A page for each part of Manchester you serve.

Step 2

Earn trust

Your SRA number and complaints details, easy to find. Fees and what they include, in plain English.

Step 3

Get instructed

Book a consultation online, from any page. Short intake questions, including a conflict check.

Sound familiar?

High competition for each search	Legal keywords are expensive and crowded.
Trust and clarity matter most	Clients need plain English and reassurance.
Slow enquiry handling	A same-day response can decide who gets instructed.

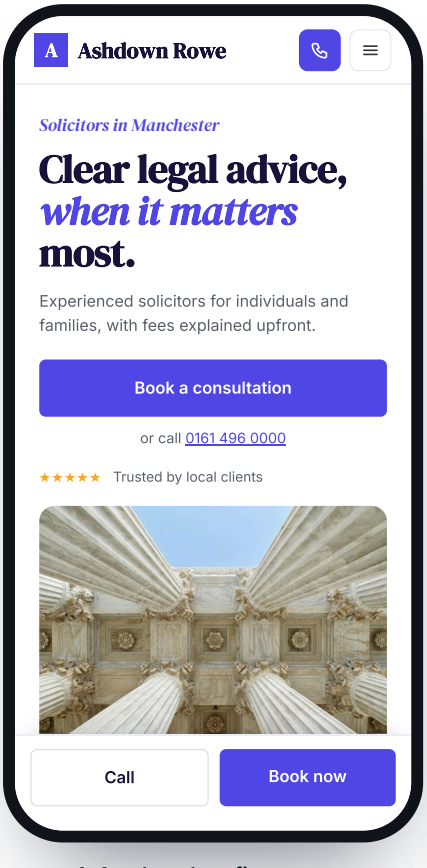
Searches you could show up for

- "solicitor in Didsbury"
- "wills and probate solicitor Manchester"
- "family solicitor Manchester"
- "conveyancing solicitor Manchester"
- "how much does a solicitor cost"
- "employment solicitor Manchester"

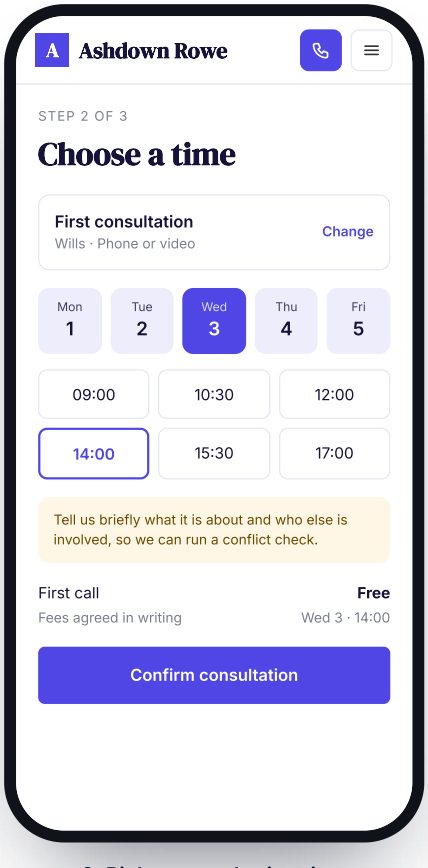
Written with SRA rules in mind. We build in what clients and the SRA expect to see: your SRA number, the SRA badge, your complaints procedure and price information where required. You stay responsible for your regulatory wording and approve every page.

Most clients search on their phone, often in a hurry. So we start there.

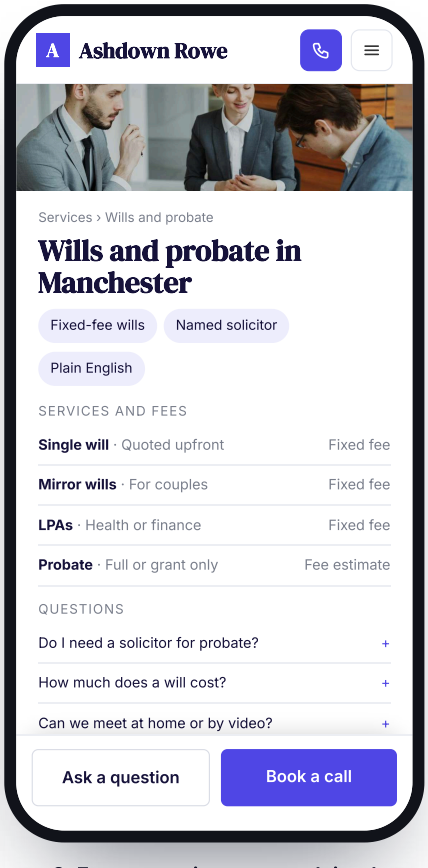
Every page has a quick way to book, call or send a message.



1. A calm, clear first screen



2. Pick a consultation time



3. Every practice area explained

- A sticky Call and Book bar on phones
- Consultation slots by solicitor and day
- Conflict-check questions before you meet
- Office, phone or video, chosen at booking
- Fees and what they include, shown upfront
- Tap-to-call and tap-to-email everywhere
- Your SRA details and complaints policy in view
- Large tap targets and easy-to-read type

A site as clear and careful as your advice.

Every site is designed around your own brand. A few example directions:
